

Simplify your accounting system with Acumatica!

New Edge Solutions is pleased to invite you to the launch of its first Cloud Computing Solution: **Acumatica**.

Date: Thursday 21st April 2011

Time: 10h00 to 10h45

Venue: Conference Room No.2, Freeport of Mauritius, Mer Rouge

We are launching our hosted solution aimed towards SME's. Acumatica is easy to use, full featured, quick and easy to start using, low investment and low recurring cost!

Acumatica is a web-based ERP solution with advanced accounting and business management functionality.

Now offered in Mauritius as a hosted solution, your company can start benefitting from this comprehensive cloud solution with its competitive pay-as-you-go pricing and compelling service level.

Seats are limited!

To assist to the presentation and live-demo, please book your seat now on **403 0000** or **jhavel@newedgesolutions.com**.

We hope to meet you during this event.
